## CLUSTER CONSTRUCTOR 20 ★

Can craft a cluster of 9 plants or deployable items for faster and cleaner setups.

 Combined with **Cut Corners Perk**, you can turn 5 items into 9. Alternatively, if crafting fails, you'll get the plantable or deployable object back, duplicating the item (though the second ingredient will be lost).

## DUPLICRAFT 5 ★

Can craft multiple items or ingredients at once, 50x the normal quantity. (Ropes, Boards, Papyrus, Turfs, Walls, etc)

 Some turfs and walls can only be crafted near specific stations, with a blueprint, or by certain characters. With this perk, you can bypass those restrictions.

 Combined with **Cut Corners Perk**, you can save a lot of ingredients.
